

PORTABLE ACs

BUCKMAN/THOMAS HALLS

Portable A/C units are permitted in Buckman/Thomas Halls with no additional utility charges assessed.

To participate, residents must register at the Murphree Area Office and provide their own air conditioners that meet or surpass these specifications:

- One unit per room.
- Units must be UL approved, 115 volts with a maximum of 10 amps.
- Units must be portable units; window units are not allowed.
- Units must have window exhaust kits.
- Units must have auto evaporators or drain pan shut off switches.
- Residents must maintain their units in a clean and sanitary manner and assume all liabilities related to the use of the units.

Example: Portable AC unit

Example: Window exhaust kit
