

MOVE→IN

UNLOADING PASS

GRAHAM HALL

- Housing is committed to making your move-in experience as smooth as possible. We have designated unloading zones for you to get your belongings out of your vehicle and into your new home seamlessly.
- To make sure everyone is afforded this opportunity we ask that you unload and promptly move your vehicle to a designated parking space. Cars can park in Parking Garage V and use the complimentary Shuttle Bus to come back to your hall and unpack.
- If you leave your vehicle unattended in an unloading zone, or park in an unauthorized area you may be ticketed or towed. Please be advised that parking attendants monitor these lots.
- UF does require a decal to park on campus. If you are keeping your vehicle on campus visit taps.ufl.edu to purchase your student decal.
